

Shop Owner Comprehensive Takaful

You are the breadwinner for your family. But your shop is the breadwinner for you! It offers you the opportunity to earn on your own terms, to be your own boss. The rising trend in consumer expenditure promises handsome returns on your investment. However these are also anxious times with uncertain law and order and ever increasing natural calamities. Regardless of all the precautions you may take, your shop still remain vulnerable to armed robbery, riots, strikes, fire, natural disasters and freak weather conditions among other risks. Loss of income coupled with high costs of construction renders in next to impossible to repair, restore or replace your commercial property.
